listing Description

Think of the experiences that you can create at this amazing location for short-term visitors or those who choose to make one of your condos their permanent home.

But, before these condos are conceptualized, the land is for sale. These 2 lots of land will not remain on the market for any length of time!

For **only \$5.8m TT o.n.o.**, this property which comprises 9,995 sq. ft can be yours!
